Common Centiments

Letter from Tripp and David

We recently hosted one of our most impactful webinars to date, featuring Ann Germany from AG Senior Consultants, focused on the critical topic of aging care. As many of our clients are navigating the challenges of supporting aging family members, this session offered timely and compassionate guidance. From evaluating home care options to understanding legal considerations and financial planning strategies, the discussion covered the full spectrum of physical, emotional, and financial support that families may need.

The webinar emphasized the importance of proactive planning and open communication, helping attendees feel more equipped to make thoughtful decisions for their loved ones. We're grateful to Ann for sharing her expertise and to our clients for engaging in such a meaningful conversation. If you missed it and would like a summary or resources, please reach out. We're here to help.

Upcoming Events

Igniting Excellence: Elevating Client Service at Ignite 2025

Recently, Tripp Boyer attended the annual "Ignite" conference in Dallas, Texas. This is WFA Finet's premier gathering of independent financial professionals. Over the course of three energizing days, they joined forces with top advisors and business owners from across the country to exchange ideas, sharpen strategies, and reaffirm their commitment to excellence.

The focus of the event was clear: being the best we can be for our clients, our teams, and our families. From collaborative workshops to inspiring keynote sessions, the experience reinforced the values that drive our practice—integrity, innovation, and client-first service. We're excited to bring these insights home and continue delivering thoughtful, personalized guidance to help you reach your financial goals.

Empowering Tomorrow: A Weekend with Cobb's Rising Stars

Tripp Boyer recently co-chaired Cobb Youth Leadership, a transformative program designed to empower the next generation of leaders in our community. Held at Banning Mills, the kick-off retreat brought together sixty high school juniors from twenty-six different schools across Cobb County. Through team-building exercises, leadership workshops, and candid conversations, these students were encouraged to break down barriers, step outside their comfort zones, and forge meaningful connections.

Watching these young leaders open up, support one another, and begin building relationships that could last a lifetime was deeply inspiring. It's a powerful reminder that investing in leadership starts early, and we're proud to be part of a community that nurtures growth, courage, and collaboration.
