Letter from Tripp and David

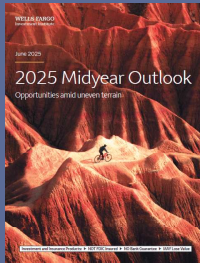

Summer is coming to an end, and for many of our clients, that means they have marked a few more experiences off their personal bucket list. Travel is often one of the most meaningful parts of life planning, and we love hearing about your adventures, whether it's a dream trip you're planning or a destination you've already enjoyed. As we work with clients to design plans, incorporating these special experiences into your long-term goals is one of the most rewarding parts of what we do.

This summer, our team embraced a little bucket list travel of our own:

- The Rameys visited Oxford, England, to see their daughter Anna, who is studying abroad through UGA.
- The Ashbys headed to Norway for a summer adventure.
- The Boyers explored Victoria, BC, and Vancouver before setting sail on an Alaskan Cruise.
- Vidya and her extended family travelled on a magical Disney Cruise together.

We'd love to hear where your travels are taking you this summer, and of course, we're always looking for great ideas to add to our own lists!

Recharging for Success: Summer Vacations in Action

Congratulations, Isabelle and Post-Grad Celebration with Family Abroad

Congratulations to David Ramey's daughter Isabelle. She graduated from North Cobb Christian School. Ole Miss here she comes! Hotty Toddy!

To celebrate Isabelle's graduation, the Ramey family took the celebration overseas — all the way to Paris! From iconic landmarks to unforgettable meals, it was the perfect way to mark a major milestone with a little joie de vivre.

Glaciers and Whales: A Voyage to Alaska

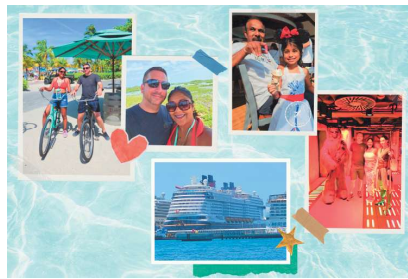

The Boyer's embarked on an unforgettable Alaskan cruise with over 150 friends and colleagues from Marietta, GA. Before embarking, they spent time strolling the vibrant

streets of Vancouver and exploring the picturesque harbor city Victoria in British Columbia. Once aboard the ship, the adventure continued with hiking the Tongass National Forest in Ketchikan, AK. The highlight of the trip was spending July 4th in Skagway where a classic American celebration was under way with live music, sizzling cookouts, a tug of war, the slowest bike race imaginable, and a jaw-dropping egg toss contest that spanned five blocks. It was a summer trip to remember!

Journey Through Norway

Winding through fjords, quaint villages, and dramatic coastlines, Sam and his family explored the breathtaking landscapes of Norway. From charming streets in Bergen, their journey captured the country's raw beauty at every turn. Along the way, Sam documented unforgettable moments with stunning photographs that showcased why Norway is often called one of the most beautiful places on Earth.

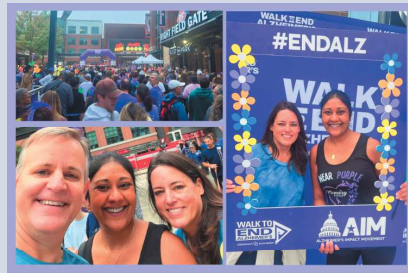

Sailing Into the Magic

This summer, Vidya and her family set sail on a Disney cruise filled with wonder and unforgettable moments. From character meet-and-greets to dazzling ocean sunsets, each day brought new adventures both onboard and at exciting ports of call. Whether it was indulging in themed dining, splashing around in deckside pools, or simply relaxing together, the cruise became a perfect blend of fun and family bonding. Their journey was nothing short of a fairy tale, complete with pixie dust and a sea breeze!
